

## Center News

### Welcome to Athens Head Start!

We are so glad to have you with us this school year!

#### Center Based

Both classroom A and B will be using the month of September to continue getting to know each other and adjusting to the classroom routines. Teachers want to remind you that the children will get dirty and sometimes wet during class activities. Please be sure to send extra clothing for your child.

#### Early Head Start and Home Based

Socializations will continue to be the first and third Wednesday of each month. Plans are in the works to visit a working farm! Please look for more information to be coming with your Home visitor.

#### Reminders

It's time to be thinking about our Annual Family Favorites Cook book! Please submit a recipe that your family really enjoys to your home visitor, Ms. Alicia, or Tammy!

Please check your child's mailbox or book bag daily. There is important information there sometimes.

## Happy Birthday!

## Upcoming Events

We will also have our first parent meeting on 9/7/2022 at 4:00 pm. Parent Meetings will be held at this time on the first Wednesday of each month. Childcare and a snack will be provided. Stay tuned for more detail!

We will be holding our dental clinic on 10/4/2022. Applications will be sent out soon.
