

Laurelville Head Start 2022

Center News

Thank you so much for making the beginning of the year so successful! 😊 The students have been working on learning the routines and schedule that we use during our school day.

This month, they will start to explore counting by using their environment. For example, we use “3 paper towels...and then count 1, 2, 3.” This is something that can be done at home as well. Try counting during mealtimes by counting chicken nuggets or carrots on their plate.

Reminders

Please only park in the Handicap Parking spots if you have a Handicap Placard. The yellow lines beside the spots are also a fine.

Please join us for our first Parent Meeting of the school year on 9/7/2022 at 4:30 pm! We will be electing Parent Policy Council representatives. A light snack and childcare will be provided.

Important Information

Your child's health is important to us.

Please remember if your child is running a fever, has thrown up, or had a loose bowel movement you must keep them home for 24 hours after. Your child should be fever free without fever reducing medicine for 24 hours before returning to school.
