

2022

Center News

The children will be learning about gun safety this month with an Eddie Eagle presentation. They will start the lesson on Talking about Touching. This is presented to the children to teach them about keeping their bodies safe and that they shouldn't keep secrets.

They will have Thanksgiving activities which will include talking about family and what the children are thankful for.

They will have a Thanksgiving Sensory Bin. This will have dried corn and feathers along with other fall materials. They will have a leaf hunt on the playground to add leaves to the bin. This builds skills in language and fine motor/dexterity while learning creativity.

Early Head Start children will be working with Ms. Barb on many fun fall activities including making paper pumpkins. This helps with fine motor skills by tearing the paper.

Socializations

Early Head Start will have two Socialization events this month. They will be held on November 2nd and November 16th

Details will be announced later

Reminders

With the change of weather, please remember to send your child dressed appropriately. The children play outside everyday. In case of bad weather, school closings and delays will be announced on our Facebook page, Channel 10, and the 105 radio station.

We will be having a Christmas party on December 6th from 5pm to 7pm at the Fairgrounds in the youth building.
