

New  
Lexington  
Head Start

## Center News

The New Lexington Center has a fun and exciting month planned. Our two classrooms have hands on activities and trips planned to excite our children's desire to learn about the new season that we are coming into and what comes with this timeframe. Also, be on the lookout for a call from your child's teacher for your first parent teacher conference.

## Home Base News

The home base program is in full swing with their seasonal change activities. Our kiddos will be introduced to different ways to look at and learn what our environment has to show us this season. Pumpkins, leaves, and apples are a few examples of items that will be explored.

Please watch for flyers to come home with details on when you can get involved this month to see what they are learning. Call us here at the center if you have any questions.

## Happy Birthday

Alexander 10/4    Easton 10/31  
Zaylee 10/7    Annalynn 10/26  
Jerry 10/18    Chevy 10/24
