# December

## Logan Head Start

## Center News

The children will be working on holiday activities this month. There will be fake snow in the sensory table. This is to help with fine motor skills. It also help with building relationships and working together. They will be making jingle bell bracelets. The children will be creating music and working on fine motor skills with this activity. They will be making dough ornaments. They will learn how to measure ingredients and experiment with adding ingredients together and observing what happens and creating art work. The Early Head Start children will be making ornaments to help with creating and fine motor skills.

## Reminders

We will be having a family event on December 6<sup>th</sup> from 5:00 pm to 7:00 pm at the youth building at Hocking County Fairgrounds. The children will be singing songs for you and Santa will be there! Pizza will be provided.

Our monthly Parent Meeting will be held December 7<sup>th</sup> at 4:00 pm.

## Upcoming Events

The children will be having a classroom party on December 20<sup>th</sup>. The Morning Class Party will be held at 10:00 am and the Afternoon Class Party 1:30 pm. Parents are welcome to attend but no other children please.

Early Head Start socializations will be held on December 6<sup>th</sup> at the Holiday party and also on December 14<sup>th</sup>. Barbara will provide you with more details.
