Head Start

Center News

Our center base children are in full motion for the holidays. The teachers have been working with the children on their fine motor skills. They will be doing a lot of projects in December to focus on this skill.

Mitten wreaths, clay ornaments, and tree links are just a few activities that are linked to this skill. We will be sending a parent activity home with the children! For this activity we ask that you decorate a tree with your child. Please let us know if you need any supplies for this activity. We may have some things at the center for you to use.

Home Base News

The home base program is also in full swing for the holidays. We will be offering plenty of activities to support each child's goals to link back to holiday fun. We have our socializations planned and are looking forward to seeing families at socialization events!

Mark your calendar – on December 19th both programs will be having a Holiday program this year! Watch for more details to come.

As always, please call us if you have any question.

Happy Birthday!

Ellia 12/5

Skylynn 12/12

Mia 12/19

Lydia 12/24
