

2023

Center News

This month, the children will be learning about dental health and the importance of good hygiene. The children will also be making buddy pictures to build relationships, discover the importance of friendship, and building a community.

Our classrooms will have Friendship Parties on Friday, February 10th. The morning classes will have their parties at 10:00 AM and the afternoon classes will have their parties at 2:30 PM. The children can bring in Valentine's Day cards for the party – Please be aware that there are 17 children in each class. During the party, children will be decorating bag; however, your child can decorate a box at home and bring in.

Did you know February 20th is Family Day in Canada?—They celebrate this to strengthen family ties! The children will be learning how other cultures celebrate, and they will be comparing the differences between them. The children will share their favorite things to do with family.

Early Head Start News

Miss Barbara will be partnering with families to provide Parent/Child learning experiences on language skills. The children will also be learning about the weather, shapes, and counting. We have exciting activities planned for our February socializations, including making homemade play dough and cooking learning experiences! These activities allow children to explore measuring and counting, and many other skills.
