Center News

Time is flying by here at the center! This month, we are jam packed with activities that are going to involve the whole family. In the center, we are going to get our parent's engineering skills going. St. Patrick's Day is upon us and our kiddos are going to be learning about the holiday. We would like parents to build a leprechaun trap to see if we can be lucky and catch one. We hope this can be a project that can get parents and children to work together and research ways to build the perfect trap! The library truck Bookmobile is coming to us twice this month. Books to support our project may be on the bus. The Spring Fling has been scheduled. It is set for March 22nd at Mt Aloysius from 5:00 pm -6:30 pm. We hope to see everyone there!

Home Base/ Early Head Start

Our visitors are busy as always. "From here to there, funny things are everywhere" as Dr. Seuss would say. We will be celebrating his birthday, as well as St. Patrick's Day this month. We will be teaming up with the center for the Spring Fling. A fun evening for the whole family.

As always feel free to call if you have any questions.

Happy Birthday!

3/2 Dr. Seuss
3/10 Madeleine

3/26 Connor
3/30 Ian
